Administrative Change Request Forms

**THECB Administrative Change Request Form Word (AQW/Updated 11/2015 version)**

Administrative changes include the creation of new administrative units (such as departments or new schools) as well as changes to existing administrative units, such as a name change, consolidation of existing units, moving degree programs into another unit, renaming or closing existing degree programs, or CIP code change. These administrative change requests must be submitted using the **THECB Notification Form for Administrative Changes (AQW/Updated 11/2015 version)** or specific THECB forms as notated in specific categories, even if simple revisions are made to the program name, degree designation, or CIP code because they require THECB board staff approval. The form(s) must be routed through the Provost's Office, Council of Undergraduate Education and Graduate Council as appropriate, Committee on Educational Policy as appropriate, and the Academic Council and Senate as appropriate, depending on the change requested. All requests requiring the Provost's signature will be routed through the President's Office; the President will review the forms and memorandums before signing and submitting the appropriate forms to external agencies, including UT System and SACSCOC. The approval process is outlined for each change requested.

**Change Request Forms to Create or Rename Administrative Units**

- **Establish a New School (or College or Division)**
- **Establish a New Department**
- **Change Existing Department Name: No Impact on Degree Programs**
- **Change Existing Department Name: Consolidate / Move Degree Programs**

**Changes to Existing Degree Programs Forms**

Please review the **THECB’s Guidelines Related to Changes to Existing Programs (THECB/AQW/2/2012 version)** on whether the proposed changes to existing degree programs should be presented as a new degree program.

- **Change Degree or Certificate Program Name or Degree Designation**
- **Change Classification of Instructional Program (CIP) Code**
