Policy Statement

Sec. 1 Applicability:

This policy applies to all UT Dallas employees.

Sec. 2 Purpose:

This policy is intended to protect the credibility and reputation of UT Dallas and its employees.

Sec. 3 Primary Responsibility:

The primary responsibility of employees of UT Dallas is the accomplishment of the duties and responsibilities assigned to one's position of appointment.

Sec. 4 Un-Managed Conflicts of Interest and Conflicts of Commitment Prohibited:

UT Dallas employees may not have a direct or indirect interest, including financial and other interests, or engage in a business transaction or professional activity, or incur any obligation of any nature that is in substantial conflict with the proper discharge of the employees' duties to their institution.

Activities on behalf of outside entities or individuals must not interfere with an employee's fulfillment of his/her duties and responsibilities to UT Dallas. Such conflicts of commitment may arise regardless of the location of these activities, the type of outside entity, or the level of compensation.

Sec. 5 Use of Property:

UT Dallas property may only be used for State purposes appropriate to UT Dallas's mission. Use of UT Dallas property for any outside activity must be approved in accordance with applicable rules and policies.

Sec. 6 Noncompliance:

Noncompliance with this policy may subject one to discipline in accordance with applicable procedures up to and including termination of employment.

Sec. 7 Education and Training:

This policy and other related policies will be distributed to those responsible for approving and managing outside activities and interests on an annual basis. Individuals responsible for
approving and managing outside activities and interests will be subject to training on an
annual basis.

Sec. 8 Definitions:

Conflict of Commitment - A state in which the time or effort that a UT Dallas employee
devotes to an outside activity directly or significantly interferes with the employee's fulfillment
of their institutional responsibilities or when the employee uses State property without
authority in connection with the employee's outside employment, board service, or other
activity (See Sec. 8, RR 30104). Exceeding the amount of total time permitted by institution
policy for outside activities creates the appearance of a conflict of commitment.

Conflict of Interest - A significant outside interest of a UT Dallas employee or one of the
employee's immediate family members that could directly or significantly affect the employee's
performance of the employee's institutional responsibilities. The proper discharge of an
employee's institutional responsibilities could be directly or significantly affected if the
employment, service, activity or interest: (1) might tend to influence the way the employee
performs his or her institutional responsibilities, or the employee knows or should know the
interest is or has been offered with the intent to influence the employee's conduct or decisions;
(2) could reasonably be expected to impair the employee's judgment in performing his or her
institutional responsibilities; or (3) might require or induce the employee to disclose
confidential or proprietary information acquired through the performance of institutional
responsibilities.

Immediate Family Members - include:

1. a spouse;
2. a dependent child or stepchild or other dependent, for purposes of determining federal
   income tax liability during the period covered by the disclosure statement; and
3. a related or non-related, unmarried adult who resides in the same household as the
   individual and with whom the individual is financially interdependent as evidenced, for
   example, by the maintenance of a joint bank account, mortgage, or investments.
